JOIN THE FLORIDA PAVILION AT THE MOSCOW INTERNATIONAL BOAT SHOW

Enterprise Florida will be participating in the Moscow International Boat Show (MIBS) with a Florida Pavilion. The Russian market for pleasure boats is rapidly developing as the number of Russian yacht owners, charter clients and boat builders is growing exponentially, generating increased opportunities for the world market. Enterprise Florida wants to assist Florida companies who are positioned to take advantage of these opportunities.

The Moscow Boat Show (MIBS) is in its 16th year and is considered to be the leading boat show in Russia. MIBS features all aspects of the boat industry from huge mega yachts to leisure dinghies as well as the parts and components that are used in their production.
